DETAILED ACTION

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

None of the prior arts shows or suggests an antenna apparatus comprising a rod-shaped antenna, a feeding part, a first ground plane near the antenna element and oriented parallel to the antenna element, and a second ground plane near the antenna element and oriented parallel to the antenna element and in a different direction from the first ground plane.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
